

CONQUEST

CONQUEST

ConQuest is the ideal commercial-grade cargo trailer for business owners and recreational haulers who demand high performance from their trailers.

ConQuest heavy-duty enclosed trailers feature truck-body style construction with a flat top, and are available in bumper pull tag or gooseneck designs. No matter what your cargo - from building or landscape equipment, to moving furniture or ATVs - the ConQuest Series makes a bold statement.

ConQuest features a steel I-beam frame with dust-proof sidewalls, aluminum roof, solid core doors, an independent torsion suspension with trailer-rated radial tires. These heavy-duty standard features prove the ConQuest will be a serious asset to your business, giving you the maximum return on your investment and add great resale value as well.

ConQuest is available with a wide array of options to outfit your trailer specifically for your business needs. Each option is expertly designed and installed by Pace American's team of specialists, with many heavy-duty upgrades available to increase the lifespan of your investment.

Demand Pace American, there is a difference!
